

Banks, activities director for Jackson where Gibson and Brouhard live, said eight residents he thought would appreciate the day. "Isn't these guys too much?" Banks said. "I got 104 of them. They are really good to work with. Their enthusiasm is real-gious and I'm sure they will be going and tell everyone about it. I like to get them out so they can see going on."

But they saw was Disneyland, Knott's Farm and the Big A — Anaheim Stadium from a few thousand feet up. They saw away from a completely different an-
